

Using Telestream PDF User Guides

Telestream PDF User Guides have the same contents, the same search capabilities, and the same table of contents (bookmarks) as our HTML guides.

Search is **Ctrl-f** in Acrobat and all browsers:

(**Cmd-f** on Mac)

Each browser uses different controls for opening bookmarks:

- Acrobat: Click **bookmark symbol**: 
- Explorer: Click **bookmark symbol**: 
- Firefox: Click **Sidebar** symbol and then **Outline** symbol:  
- Chrome: Click **bookmark symbol**:  Then click the **Bookmarks drop-down**.
- Safari: Right-click **Open with Preview**. In Preview, **View Menu**  > **Table of Contents**

The view looks as shown below when bookmarks are enabled. Click any bookmark to go to the topic, or click the + beside a bookmark to expand the topic.
