

DIVA Core

Java API Readme

Release 8.0

Version 1.1

February 2021

This document identifies the location of the DIVA Core Java API documentation. The DIVA Core Java API documentation is included with the Java API installation, but can also be accessed before installing the API.

Accessing the Java API Documentation before Installation

The DIVA Core Java API documentation is available before installation in the full DIVA Core software download on the Telestream Software Delivery Cloud. The documentation is located in the JavaAPI directory in HTML format, and is viewable using any web browser. Use the following procedure to view the documentation before installing the API:

1. Download the DIVA Core software package from <https://portal.goecodigital.com>.
2. Unzip the downloaded DIVA Core file and navigate to the JavaAPI directory.
3. Unzip the Java API compressed file.
4. Double-click the index.html file to open the documentation in your web browser.

Accessing the Java API Documentation after Installation

After you install the DIVA Core Java API on your system, the documentation is available in the doc/JavaDoc directory.

Documentation Accessibility

For information about Telestream's commitment to accessibility, visit the Telestream Support Portal located at <https://portal.goecodigital.com>.

Access to Telestream Support

Telestream customers that have purchased support have access to electronic support through the Telestream Support Portal located at <https://portal.goecodigital.com>.
